About Middle Aston House

For over 50 years, Middle Aston House has maintained an excellent reputation for hosting corporate training, meetings & events.

Purposefully renovated for corporate events, there are 5 main meeting rooms, 4 syndicate rooms and 5 dining rooms which can be used as an event space when necessary.

Middle Aston House is set in over 20 acres of lawns, gardens, a meadow, mature woodland, a lake & ponds.

Approximately an hour from London, we're 10 minutes off the M40 but once you arrive, you'll soon see & hear that you reap all of the benefits of a rural location.

With almost half a century of event management between us, the team at Middle Aston House understand what's important and will work with you to give you the support you need.

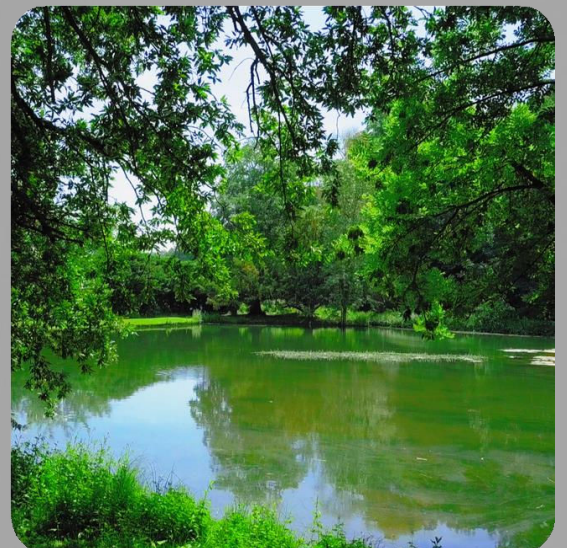

For residential events, we boast a total of 55 en-suite bedrooms across the site; 48 standard doubles in purpose built accommodation blocks and 7 superior rooms between the Main House & Orchard Cottage.

Once your meeting is done, you're welcome to take advantage of the full 20 acres of rural grounds and take a walk with our geese, swans, foxes, and deer for company.

Last but not least, we have a well-stocked, licensed bar and evening dining provided by our talented kitchen team.

"Our aim at MAH is to welcome all of our guests into our home. It's not surprising to us that so many of our regular clients tend to refer to us as their home away from home."
